- Find full information about travelling to Switzerland here.

STEP 1: BOOK YOUR FLIGHTS & ACCOMMODATION

Book your flights with your preferred airline. Check the airline and departure destinations rules and regulations. Secure the preferential rate with our chosen hotel partners on our hotel booking site.

All participants will be provided with a Swiss Travel pass for the duration of the event, providing safe and comfortable travel from the airport to Lausanne – further details will be sent in September!
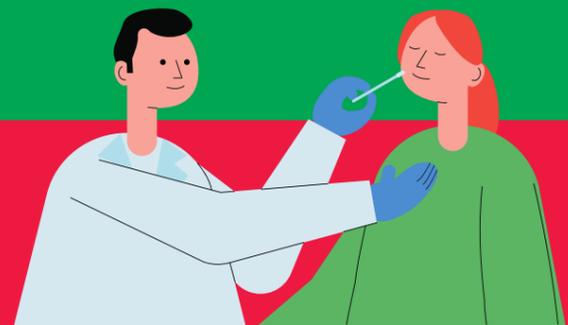

STEP 2: CONFIRMATION OF ENTRY

To confirm your entry into Switzerland please complete the official Swiss entry form online.

Once successfully submitted you will receive a confirmation of entry QR code, which can either be printed or saved onto your phone for travel.

STEP 3: PCR TESTING

If you must provide proof of COVID-19 negative results before traveling home, book tests at Geneva Airport.

Please keep yourself updated with the latest COVID-19 travel documentation requirements for both your outbound and inbound destinations, including whether you need to book a PCR test for day 2/ 8 in your home destination. Any questions! Don't hesitate to contact us at emea@pcma.org.
